Translating the future of building construction & interiors vision into reality

ABOUT NEXKNOS

The 21st century has seen numerous changes across all fields and industries globally. Exhibitions and various conclaves have become integral to the building construction and interior decoration industry. While these events primarily serve product marketing and promotions, helps a higher level of collaboration among professionals, entrepreneurs, manufacturers, processing agencies, and end-users. In today's fast-paced social media era, people can connect closely despite geographical distances. In India, improving transportation has contributed to the growing size of these conclaves, supporting more guests to attend.

NEXKNOS is also part of these types of conclaves. It started in 2018 with a standard exhibition focused on building construction and interior decoration materials, inspired by many national and international conclaves. The event has grown gradually, and in 2019, an Architectural Knowledge Session was added, supported by many professionals such as architects, engineers, and interior designers. Now, numerous professionals in the segment are part of NEXKNOS. The aim has always been to bring together the maximum number of consultants and entrepreneurs on a common platform, primarily through exhibitions and seminars. And yes, it is succeeding in this endeavour.

What's Special!

Now we are inviting all entrepreneurs to join and celebrate NEXKNOS 2026 Udaipur with us. Again in NEXKNOS 2026, we are including a marvelous products' exhibition which is open for public, conference, education arena etc. Similarly 1 morning's heritage walk, another morning an innovative workshop and 2 entertainment nights for professional guests & sponsors will be also a catching element of the conclave. As usual this year we are inviting 15+ expert professionals from across India and around 200+ professionals from other cities of the country. Many architects, engineers, interior designers and consultants of Udaipur are the root of this conclave so forever they are part of NEXKNOS 2026 as "Hosts & Contributors".

Networking Opportunities

Forge valuable connections with architects and professionals from Udaipur and many other cities of the country to showcase your products collaborate on projects or simply expand your network, NEXKNOS 2026 Udaipur offers the perfect platform to do so where many professionals from across the India will be participating as speakers in the knowledge session. Gain exposure to a diverse audience comprising architects, interior designers, design professionals, engineers and industry experts.

Brand Recognition

Position-your brand as a leader in the industry by participating in the prestigious building materials exhibition. Gain valuable insights into market trends, customer preferences, and emerging technologies in a rapidly evolving industry landscape. Explore potential collaborations with professionals seeking innovative solutions for their projects.

Secure your spot at the conclave and elevate your brand's presence in the architecture and building materials industry. Join us in Udaipur on 18-21 Dec 2026 for a transformative experience that promises unparalleled networking, learning and business opportunities.

Sponsorship Offer & Deliverables for NEXKNOS 2026

Become a sponsor of the conclave and increase visibility of your brand and products at the next level. As a sponsor your company's brand will be prominently placed on conclave brochures, backdrop of conference, email invites/ communications, banners, posters, etc., ensuring maximum exposure to a diverse audience of the industry professionals and leaders in attendance. Your brand will be given similar attention in post media production whenever we feature NEXKNOS 2026 in the future. Executive Members of sponsors shall be able to interact with the delegates during the Knowledge Sessions, and during lunches and dinners as all access power cards. The presentation slot will be provided according to the offer order. No stalls are reserved for sponsors, stall deal structure will remain the same as regular exhibitors.

RATE LIST

Instructions, terms & conditions for exhibitors

- One stall will be booked with one company or one firm name only.
- Selling and transportation of products are strictly not allowed during exhibition hours 10:00 to 21:00 as this is our policy for human safety and well managed premise.
- Anyone can do their own branding in their stalls only, complimentary ads slides will be played at the entrance area LED wall by the organizer.
- Names on Fascia will be arranged by exhibitors only according to their desired name and format, fascia height will be 9".
- Other branding spaces will be provided against commercial offers. Any unapproved branding/standee will be forfeited by the branding team.
- We'll reduce further digital promotions if anyone fixes his branding forcefully at any prohibited area.
- Mobile display cart or branding will not be allowed at outside or roadside of venue, in such case legal action will be taken if found in any activity like this by exhibitor or non-exhibitor party.
- Blank spaces shown nearby corner stalls cannot be used by exhibitors for their personal use.
- Check stall sizes and orientation properly, grids shown in plan are with size of 1M X 1M, stall sizes may be varying up to 50 MM (2"), and partition heights will be 8 feet.
- The height of long sides of the dome will be about 9 feet from floor level, so plan your stall's rear side accordingly.
- The fixed height of customized stalls should be 10 feet and Fascia 12 feet.
- Assembly of pre-engineered stalls are allowed on site, manufacturing of stalls from 0 stage is not allowed on venue site so such exhibitors are advised to bring modular stalls with maximum completion.
- Let us know if you are fabricating your own stalls, or you have no need of our octonorm stall partition so that we will leave your stall space blank and you will be able to start your stall fabrication in advance.
- Location for stalls will be provided by 2:00 PM on 16th Dec 2026.
- Wrap your stall preparation work before 3 hours of inauguration so that our housekeeping team can start final cleaning.
- Fill all asked information properly in the registration form, we will not be responsible to update any verbal discussion about any related thing.
- We will release promotional posts on social media according to our format, these posts will be released without approvals of exhibitors so provide asked information properly.
- We reserve all rights to design and posting related to all of our participating associates, we can discontinue posting about those participants who guide or force us to do their desired things on our portals.
- All recorded shows will be available on our digital portals for years so stay prepared with setup accordingly.
- Inauguration of every stall will be done by guests & professionals in an organized manner.
- Any kind of data or other information related to participating professionals will not be provided to exhibitors, we are not authorized for this.
- The drinking water point will be at the food court, anyone can drink water and refill their bottles.
- We will provide a 250W power supply to each stall, 1 exhibition's standard octonorm counter (appx. size: W:39" X D: 24" X H: 30") and 2 simple chairs to every multiple of 9 SQM stalls, i.e. stall size is 18SQM the furniture quantity will be doubled.
- The dome floor will be a 4" raised plywood and finished with carpet.
- In case of heavy electric power requirements, exhibitors will have to update in advance, so that heavy supply connections will be managed for them, it reduces the chance of some accidents and prevents us.
- We provide round the clock general security during the exhibition days but exhibitors are advised to wrap their valuable material and keep handy items safely.
- We expect a good environment in the exhibition arena so keep corridors free, and do not play loud music.
- Support our parking system for better management of your own show, we are putting this point because a lot of exhibitors and their people misbehave with guards and park vehicles anywhere.
- Further digital promotion will be reduced without any pre-information if any exhibitor does not follow terms & conditions of the terms and conditions.
- During Exhibition hours, everyone is advised to respect security guards and help us to manage parking, and park your vehicles properly. Ask your truck or tempo driver to park vehicles away from the venue, as parking is the biggest issue everywhere.
- The organizer reserves all rights to postpone or cancel the event, or any kind of other changes due to any sensible reason or natural calamities.

Wish you all the best
